COMMENTS: The week prior to qualifying, his mother died on July 30, 2019. He was the sole provider for his mother and during that time there were a lot of up and down emotions as he cared for his mom leading up to her death. As the candidate, campaign manager, delivering signs, attending many forums, treasurer of his campaign, his attention and focus was redirected toward the burial expenses due to his mother being under insured So, therefore, he is respectfully asking if the board would consider waving part or the entire fine due to his emotional and psychological stress of his mother's passing. After receiving the certified letter, he notified the department of his intent to submit an appeal for the reason why he was late. All other reports were filed timely,

RE: Terrell "T-Bone" Wilson
Late fee assessment for the October 12, 2019 Election
40-G Campaign Finance Disclosure Report filed 11 days late

Dear Ms. Melissa Horn:

I qualified for the Councilman at Large Division B race in St. Charles Parish on August 6, 2019. That election placed me a runoff for the November 16, 2019 election, which required additional campaigning. The week prior to qualifying, my mother died on July 30, 2019. I was the sole provider for my mother and during that time there were a lot of up and down emotions as I cared for my mom leading up to her death.

However, all of my previous reports were submitted and received prior to the due date, with the exception of the 40G report. As the candidate, campaign manager, delivering signs, attending many forums, treasurer of my campaign, my attention and focus was redirected toward the burial expenses due to my mother being under insured. So, therefore, I am respectfully asking if the board would consider waving part or the entire fine due to my emotional and psychological stress of my mother's passing.

After receiving the certified letter, I notified the department of my intent to submit an appeal for the reason why I was late. During the week of March 23rd – 27th, 2019, two attempts were made via telephone and messages were left because I had a couple of questions. Due to the pandemic, the office staff was working remotely. I spoke with Melissa Horn today and I informed her my letter and supporting document will be faxed to her.

Sincerely

Terrell "T-Bone" Wilson

RE: Terrell "T-Bone" Wilson
Late fee assessment for the October 12, 2019 Election
40-G Campaign Finance Disclosure Report filed 11 days late

Dear Ms. Melissa Horn:

On August 8, 2019, I qualified for the St. Charles Parish Councilman at Large Division B October 12, 2019 election. The October 12, 2019 election moved me to a November 18, 2019 run off. The week prior to qualifying, my mother passed on July 30, 2019. I was the sole provider for my mother and during that time there were a lot of up and down emotions as I cared for my mom leading up to her death.

However, all of my other reports was submitted on time with the exception of the 40G that was an oversight on my part because my mind was on so many things and I did not complete it. So, therefore I am requesting a waiver of for the \$660 penalty due to the stress of my emotional and psychological stress of my mother's passing.

Sincerely

Terrell "T-BONE" Wilson
